Extended Project Holiday homework

Research proposal activity:

Write down at least one topic from a minimum of three of the following areas.

- A topic that interests you that is related but not covered in your A level choices
- A topic related to what you want to study at university or do for a career
- A topic you have been discussing with your friends and family.
- A topic that is in the news a lot.
- A topic related to work experience or summer programme
- A topic related to a hobby or particular interest.
- A topic related to a subject you no longer study but previously enjoyed.

Then do some initial research – what books or information can you find on each topic. How could you develop your project? What questions could you ask/answer? Record your responses on this sheet and bring with you on your first day of school.
