1a. What are the contemporary patterns of global migration?

Migration

What are your perceptions of migration?

How is migration portrayed in the media? Do you agree/disagree with this?

Define migration:

1. What are the contemporary patterns of global migration?
   a) Global migration involves dynamic flows of people between countries, regions and continents

Looking at the migration map, make some notes on the following patterns of global migration:

- Number

- Scale:

- Size (of routes):

- Direction of movement:
1a. What are the contemporary patterns of global migration?

Brainstorm together the causes and impacts of migration:

- Causes
- Impacts
