

Year 13 Biology February Half Term Homework 2020

We want you to do well in these and want you to treat them as if they are your summer exams. You have already had a lot of practice and preparation for paper 1 so you should focus more on paper 2. For paper 2 we know that you have only just finished some content but we have put together a carefully selected range of questions to help you be as successful as possible in doing this.

PAPER 1

PAPER 2-not including chapter 21

PAPER 3-Questions only, no essay

You should be spending at least one hour of each of the revision tasks below

| Session | Revision Tasks |
|---------|---|
| 1 | Paper 1 preparation: <ul style="list-style-type: none">• Look back at both paper 1 mocks from year 12 and the AS paper you sat in November – what were your mistakes, what keywords etc.• Review your DTT packs for topics 1-4 you have completed so far.• Try doing the paper 1 mock from the summer again and get timing right. |
| 2 | Paper 2 preparation: <ul style="list-style-type: none">• Complete DDT success pack for topic 5 |
| 3 | Paper 2 preparation: <ul style="list-style-type: none">• Look back at paper 2 mock from year 13 – what were your mistakes, what keywords etc.• Start the exam question practice booklet for paper 2.• MARK IT! – Ask teachers for clarification. Make your own checklist of mistakes. |
| 4 | Paper 2/3 preparation <ul style="list-style-type: none">• Finish the exam question practice booklet for paper 2.• MARK IT! – Ask teachers for clarification. Make your own checklist of mistakes. |
| 5 | Paper 2/3 preparation <ul style="list-style-type: none">• Complete the maths skills question booklet |
